NOTAMS

Got a short message from Adam Sugalski, one of RIPA's Scholarship winners, over this Holiday season. He has just completed his first semester with a 3.47 average and is very close to his private rating. He will be returning to Daniel Webster early to get in some extra flight time. He has asked to remain on our mailing list for the newsletter. We wished him a very good New Year...

BOARD MEETING

This board meeting was short and sweet, just needing to clarify upcoming activities. Bill got the meeting going a little late but Korrie, Dan, Frank, and Jerry were ready by then to zip right along. The board's effort to reduce expenses to have more money to work with seems to be in place. The upcoming year should see the association in good shape.

Entry codes for the states airport locks have been changed, as per Homeland Security.

RENEWAL

Korrie reports than many renewals have arrived. This is a reminder that dues must be paid by March to remain on the mailing list.
