Congratulations to Jeff Fisher – probably the newest PPL in the state of RI. Actually if someone passed a checkride in the last few days – he might be an “older” new pilot right now.

Anyways – Jeff is looking for more experience, other types, rentals, cost share, seat time.

He lives on the West Bay with his wife and kid– if you can fit him in for a fly out or to say hello to him – please get in touch with him at: [jd\\_fisher@yahoo.com](mailto:jd_fisher@yahoo.com)

Westover Airforce Base Visit  
Was at a WINGS event Wed and made contact with the guys and gals flying the 16 C5-Galaxy's out of Westover. Long and the short is they would love to host us for a fly in one Saturday - look at Westover Tower, Look over a C5.

I'm working out the details and need an idea of how many might be interested so we can mesh plans with how many of us they could host.

The plan would be to fly into the civilian side of the Class D at Westover and they would pick us up to take us to the base.

Expressions of interest please reply to this email.....

## SAFETY SEMINARS

### "Rhode Island Stands Up for Safety"

Topic: Human Error & Loss of Control  
On Saturday, October 5, 2013 at 9:00 AM

Location:

KSFZ – North Central  
AVports Aviation at North Central Airport  
300 Jenks Hill Road  
Smithfield, RI 02917

Description:

This year pilots across the Northeast will come together as a Safety Community to participate in a dynamic, interactive program devoted to Local Safety Issues, Loss of Control, and the number one aviation fatal factor – Human Error. Don't miss this opportunity to hear from local flying experts, participate in dynamic discussions, and gain practical insights on how you can learn more from accident reports and reduce errors in your own flying. Be a part of the safety community! Tell your friends, "I'll see you at the Rhode Island Stand Up for Safety Event".

To view further details and registration information for this seminar.
